The screenshot shows the 'Event Information' form within the application. The form has a light blue header with the title 'Event Information'. Below the header, there are five input fields: 'Event No.' (containing '37'), 'Member ID' (empty), 'Event Code' (containing 'AM'), 'EventDate' (containing '1/12/2015'), and 'EventTime' (containing '7:00 PM'). Below these fields is a blue button labeled 'Add New Event'. At the bottom of the form, there are five navigation buttons: a double left arrow, a single left arrow, a single right arrow, a double right arrow, and a button with a group of people icon. The application's status bar at the bottom shows 'Record: 1 of 3', 'No Filter', and a 'Search' field. The Windows taskbar is visible at the very bottom of the image.
